9/02, HOSPITALS & INSTITUTIONS (H & I) SUBCOMMITTEE

The PURPOSE & FUNCTION of this committee: The purpose of an H&I meeting/presentation is to carry the message to addicts who do not have full access to regular Narcotics Anonymous meetings. H&I meetings/presentations, except for those in longer term facilities, are intended to simply introduce those attending to recovery through the program of Narcotics Anonymous.

One of the most important tasks of an H&I subcommittee is clarifying its own purpose is to establish its priorities. Usually, the highest priority is given to facilities which house addicts who cannot attend any regular N.A. meetings. Treatment centers, which allow some limited access to regular meeting are somewhat lower on the priority list.

These decisions about priorities are not clear cut, particularly when residents are allowed limited access to outside meeting. If we are not making an effort to inform these addicts about Narcotics Anonymous, then we are leaving it up to the facilities to inform them about us, or we are leaving them uninformed. It is important that these residents learn about N.A. from informed members of our Fellowship. H&I meetings/presentations have the advantage of the question and answer period, which allows residents to address specific questions and concerns about Narcotics Anonymous with members of N.A.

Our resources are limited, and no subcommittee can effectively meet every possible need. The quality of meetings is more important than their quantity. Our primary purpose is not best served when we allow ourselves to become over-committed. Starting an H&I meeting: The initial approach to start an H&I meeting/presentation should be done by an area H&I subcommittee, coordinating efforts with P.I. where applicable.

Sometimes a facility will approach the H&I subcommittee and ask to have an H&I meeting/presentation done. Once we are contacted, we set up an appointment. If we are not able to support a meeting, we explain at the appointment that we cannot service their request at this time and will maintain communication with them. We also may provide them with the WSO Catalog and make them aware of the *Reaching Out, the N.A. Way*, tapes approved for sale by the WSO, and the availability of N.A. literature.
